

Our Place

of Jefferson County Inc.
ACTIVITY & RESOURCE CENTER⁵⁰⁺

NOVEMBER 2025

Hello Everyone,

We must acknowledge the great job done on the parking lot. If you haven't been downtown in the evening, the lights in the parking lot are great. Landscaping and the new fence are being completed. We sincerely appreciate all of the hard work by First Westminster and the contractors along with your patience during the project.

We participated in the WTOV9 Fall Senior Expo, meeting many people and explaining our program. Thank you to the Our Place Line Dancers and our chair volleyball team for demonstrating some of our activities. We would also like to thank all of our members for participating. We had a great showing and you were able to enjoy the day filled with information and fun.

November 12th, Suresh Srinivasan, MD, Pain Management Physician will be returning with a presentation on spinal cord stimulation. Please arrive by 10:45.

Our Thanksgiving luncheon will be Thursday, November 20th from 10 - 1. Once again we must tell you how thankful we are for all of you and enjoy everything we do together.

We will be closed November 25th—27th to enjoy Thanksgiving with our families and will be ready to see you on Tuesday, December 2nd.

Our Christmas dinner will be held on Thursday, December 18th. This is a party you don't want to miss. Watch for more information.

See you soon,
Cynthia R. Morris
Administrator

HOLIDAY SAFETY

- Be aware of your surroundings while shopping.
- Make sure you secure your home by locking doors and using timers for lights.
- It is also important to practice fire safety by keeping decorations away from heat sources and never leave cooking unattended.
- Shop smart, shop with a friend if possible, never shop alone.
- Secure your belongings. Don't carry large amounts of cash. Also keep your wallet in a front pocket or hold your purse close to you.

What is CBD?

Another name for CBD is Cannabitol. All 50 states have laws legalizing CBD with varying degrees of restrictions. CBD has been found helpful in treating chronic conditions. Various studies are underway to understand how CBD can be useful in many medical conditions.

It is important you talk to your medical doctor if you are taking CBD or wish to take it as there are side affects.

The Parkinson's Support Group will have Dr. Jim Collins addressing this topic at at the November Support Group meeting.

Please come and learn about CBD.

Open to the public.
