ACTIVITY & RESOURCE CENTER⁵⁰⁺

Dear Members, Families, and Friends,

As we approach the end of another year, I want to take this opportunity to reflect on the wonderful moments we have shared at Our Place and look ahead to an exciting month of December filled with joy, warmth, and togetherness.

December is a special time for all of us. The holiday season brings an extra sparkle to our days and offers a chance to celebrate the spirit of giving, gratitude, and community. Our Place will be hosting a variety of festive activities this month, including a holiday craft by Cathy Presley, Christmas with the Coalition and our very special Christmas Dinner Party with music by the Ron Retzer Trio. Please check the event calendar and information included in this newsletter. .

We understand that the winter months can also be a time when some may feel isolated or in need of extra support. Please remember that our staff and volunteers are always here to lend a listening ear, provide resources, or just share a warm cup of coffee. If you or someone you know could use assistance, do not hesitate to reach out to our office.

This December, let's continue to look out for one another and spread kindness throughout our community. On behalf of the entire staff, I wish you a joyful holiday season and a happy, healthy New Year. Thank you for making Our Place of Jefferson County a place of friendship, laughter, and support.

See you soon,
Cynthia R. Morris

Living Alone

According to AARP more Americans age 50 and over are living alone. This could be the result of the death of a loved one, divorce or their choice to live alone. They feel the best part is their freedom and independence. The worst part of living alone is loneliness and anxiety.

Social networking was important to all those meeting this challenge. Friends and family helped to meet their challenges. There are three steps you need to take to ensure your safety and happiness:

1. Financially live within your means.
2. Legally appoint a health care proxy and give someone financial power of attorney.
3. Socially be connected and engaged and practice good health habits.
