

JUNE 2026

# Our Place

of Jefferson County Inc.

ACTIVITY & RESOURCE CENTER<sup>50+</sup>

Dear Members & Friends,

Thank you to everyone who joined us for our third year anniversary celebration. We had a great time, and we are so grateful for the support of our members, volunteers, and the Jefferson County Senior Coalition throughout the year. As we look ahead, we are excited to see what this next year will bring.

We will be closed June 9 - 11 for the First Westminster Vacation Bible School. We encourage you to stay active during this time. If you need anything please don't hesitate to reach out - we will be answering the phones and will be happy to help. We are pleased to announce we have received a grant from the JB Green Team to begin creating a new outdoor area for everyone to enjoy. This space will include tables with umbrellas, rocking chairs, a glider, and the start of a raised garden. It will be a wonderful place to play cards, enjoy your lunch, visit with friends, read a good book, and simply relax outdoors. A handicap-friendly entrance will help make the area welcoming and accessible for everyone. Once the project is complete, we will host a tour, and we hope you will love this space.

Grocery Raffle Ticket sales are going well and we truly appreciate your help. You may pick up tickets to sell to your friends and family. Please see Phyllis.

Our next party is Thursday; July 2<sup>nd</sup> and we cannot wait to celebrate our patriotic spirit together. There will be a contest for the most patriotic outfit or hat, so have fun getting creative. We will also be playing a few new games that are sure to bring lots of smiles and laughter. Please make your reservations so we may plan for a wonderful time together. We look forward to spending a great summer with you.

Sincerely, Cynthia R. Morris, Administrator

## IN THIS MONTH'S ISSUE

- 02 Birthdays & Contact
- 03 Parkinson's Support Group
- 04 Activities & Speaker Schedule

Laughter is often described as the best medicine, and for good reason. It plays a crucial role in enhancing both physical and mental well-being. Physically, laughter triggers the release of endorphins, the body's natural feel-good chemicals, which can reduce stress and even temporarily relieve pain. It also improves cardiovascular health by increasing blood flow and improving blood vessel function. Mentally, laughter reduces anxiety and tension, fostering a sense of relaxation and happiness. Socially, it acts as a universal language, strengthening relationships and building bonds between people. Sharing a laugh can break down barriers, promote empathy, and improve communication. In essence, laughter is a powerful tool that enriches our lives, offering a holistic boost to our health and social connections.
